

Crearea și gestionarea profilului ORCID

ORCID – Open Researcher and Contributor ID

- Viziunea **ORCID** constă în principiul ca toți cei care participă în activitățile de cercetare, dezvoltare și inovare să fie identificați în mod unic și conectați la contribuțiile sale pe discipline, granițe și timp.
- Fiecare cercetător deține propriul profil în care sunt prezentate rezultatele științifice preluate din alte baze de date, dar pot fi adăugate și manual.
- **ORCID** preia datele cu privire la publicații atât din WoS cât și din Scopus.
