

TUITION FEE, MASTER PROGRAMMES

No.	Faculty, study programs	Tuition fee, a.y. 2020/2021, euro
		Full time studies
Faculty of Electronics and Telecommunications		
1	Information security in communication network systems	2000
2	Electronic Systems and Communication	2000
3	Maintenance and Management of Telecommunication network	2000
Faculty of Power and Electric Engineering		
1	Power engineering	2000
2	Energy and environment	2000
3	Electrical engineering	2000
4	Engineering and Quality Management	2000
Faculty of Computers, Informatics and Microelectronics		
1	Computers and networks	2000
2	Informational technologies	2000
3	Microelectronics and nanotechnologies	2000
4	Biomedical engineering	2000
5	Informational security	2000
6	Informational technologies for business	2000
7	Management informational applications	2000
Faculty of Food Technologies		
1	Oenology, wine tourism and wine markets	2000
2	Management of restaurants and Catering services	2000
3	Food Quality and Safety	2000
Faculty of Mechanical and Industrial Engineering, and Transportation		
1	Engineering of machine building products and process	2000
2	Engineering and management of production systems	2000
3	Industrial design	2000
4	Management and exploitation of transport	2000
5	Mechanical engineering	2000
6	Safety and greening of road transport	2000
Faculty of Urbanism and Architecture		
1	Road, construction materials and mechanization	2000
2	Management of sanitary engineering systems and environmental protection	2000
3	Engineering of installations for microclimate insurance in buildings	2000
4	Urban and regional planning	2000
5	Interior design	2000

No.	Faculty, study programs	Tuition fee, a.y. 2020/2021, euro
		Full time studies
Faculty of Civil Engineering, Geodesy and Cadaster		
1	Real estate and cadastral law	2000
2	Geomatics and cadaster	2000
3	Real estate evaluation and administration	2000
4	Structural engineering	2000
5	Anti-fire and civil protection engineering	2000
6	Project management in civil engineering	2000
Faculty of Economic Engineering and Business		
1	Business administration, 90/120 ECTS	2000
2	Real estate economics	2000
3	Industrial marketing	2000
Faculty of Textiles and Polygraph		
1	Engineering and business managing in apparel industry	2000
2	Product design and development	2000
3	Polygraph design and technologies	2000
4	Clothing and textile design	2000
